## PLAYERS

Are arriving and work has begun on the diamond for the season of 1911.

The season of 1911 in the Bluegrass league, has begun on the local diamond and the different players are hoping to get in a week of good practice, if the weather will permit. Nearly all the men have arrived and Manager Lewis is looking them over carefully to ascertain just who will be retained for the regular team. Many of the last year's team have returned and several new faces can be seen on the field.

If the weather man, who was certainly mean to Richmond last season, will only keep his predictions down within a tolerable limit, the fans will rejoice and the association will not have to call on the people for financial aid.

Two players of whom great things are expected, is Sterling, of the South Atlantic league and Nicholas, of the Ohio-Penn league. The former is a pitcher and the latter an infielder of note. These men have been playing for several years under Manager Lewis and he knows their ability. Pitchers Willis, Knox, catcher Thoss, outfielders, Whitaker, Bramble, infielders, Lewis, Baird and Walden will begin this week, with several new ones, to get into condition for the opening of the season. The lot will present a busy scene. Good weather is all that is asked for.

Exhibition dates have been taken up by the management and will be announced the latter part of this week. Several teams want to come and they will be accommodated if possible. The management hopes to get a good start, financially with these exhibition games.

This season, Richmond plays its first game at Winchester, on the 9th of May and returns home for a game the next day with the same team. May 10th will be opening day for Richmond, and probably the largest crowd that ever saw a ball game here will be present. A brass band will entertain things during the day and will head a long parade. Automobiles, players on horseback, County and City officials, fire department and many others will join in the parade. Mayor Rice will pitch the first ball. Get ready to join in the parade and make opening day a notable one.

Constipation causes headache, nausea, dizziness, languor, heart palpitation, drastic physics, grip, sickness, weakens the bowels and don't cure. Doan's Regulator acts gently and cures constipation. 25 cents. Ask your druggist.

Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald, be prepared. Dr. Thomas' Electric Oil instantly relieves the pain—quickly cures the wound.

## PROCLAMATION!

I do hereby designate Thursday and Friday, May 11th and 12th, 1911, as "general clean up days," and trust that all residents of the city of Richmond, Ky., will show their civic pride by putting their premises in the cleanest possible conditions on these two days, and thus respond to this invitation to help clean the city from one end to the other and make it more sanitary and beautiful for the summer, as every one knows "Cleanliness is next to Godliness." Put all rubbish in a convenient place for the city carts.

SAMUEL RICE, Mayor.

## Money Back

**Hyomei Cures Catarrh Without Stomach Dosing, or Money Back**

Yes, dear reader, catarrh can be cured; but not by pouring vile, nauseating drugs into the stomach.

And catarrh germs thrive, flourish and multiply in the nose and throat.

Can you kill these tough and persistent little health destroyers by swallowing pills or nostrum? Any physician will tell you it cannot be done.

HYOMEI (pronounced High-o-me) is a germ-killing, sterilizing air which, when breathed either through the mouth or nose, will kill catarrh germs and soothe and heal the inflamed and mutilated membrane promptly. It gives relief in two minutes.

HYOMEI is such a powerful germ destroyer that it penetrates every fold and crevice of the mucous membrane of the nose and throat.

A complete outfit, which includes inhaler, a bottle of HYOMEI and simple instructions for use, costs \$1.00.

Should you need a second bottle of HYOMEI the price is only 50c. B. L. Middleton and leading druggists everywhere sell HYOMEI.

Slade, of Lexington, and State Insurance Superintendent for the Order, E. H. Byers. Both men are prominent in Knights of Pythias ranks and a big membership was out last Thursday to greet them. As a preliminary, four candidates were given the First degree and the check degree team of the lodge put the work on in impressive style. After the initiation, the banquet table was spread under the direction of "Joe" the caterer and it was complete in every detail. Several talks were made under the head of "Good of the Order." Here Is Foot Comfort!

Worried feet cause half the ills and discomforts that harass the men and women of our age.  
**The Scholl "Foot-Eazer"** is a remedy. It is a scientific arch support or cushion that supports the muscles and tendons and gives them strength to carry the weight of the body at the foot arch.  
It does away with all nervous and muscular strain and quickly replaces the natural elasticity to the foot and prevents flat-foot with its painful consequences.  
Makes walking or standing absolutely comfortable, keeps shoes in shape and gives the instep a graceful arch.  
The Scholl "Foot-Eazer" is made of two German Silver Springs, each covered, and is springy, flexible and self-adjusting to all feet, and can be easily slipped into any shoe.  
They do not need tacking or pasting but are easily changed from one pair to another.  
If you have any foot trouble whatsoever the Scholl "Foot-Eazer" will give you instant relief as well as rest and comfort.  
All sizes for men and women, \$2.00 per pair.  
We are headquarters for foot comfort and the Scholl "Foot-Eazer" is one of the principal means of conveying it to you. Let us prove it.

WEDNESDAY APR 26 - - - 1911

It's too bad that Kentucky must register two votes against the Canadian Reciprocity in Lantley and Powers. The Teeth and Throats are well represented in the House.

William Adams, of Cincinnati, the aspirant to the Democratic nomination for Governor, has sent to this office a huge envelope containing his platform and covering about thirty inches of space, but no letter from "Billy" has been received concerning the remuneration. This is about the chummiest thing we have had from the candidates for state offices. It's positively penurious from reports it seems as if he has sent out hundreds of these things and will be tried, but these will not take up more than four days of the court's time at the most. There are 40 appearance cases, of which are divorce cases, and equity. A special for divorce cases. This is a four weeks term. The three murder cases to be tried are: The Shelton for the killing of Mrs. Mary Pigg; Addison Creekmore for killing Callie Bush; and Reese Coates for killing Brock Perkins.

**Wesleyan Lost.**

The strong baseball team of the Kentucky Wesleyan College, of Winchester, was defeated Monday by the Normal school on the local grounds by the score of 6 to 4. It should have been larger for the home team, but seven errors by the Normal boys shows the loose playing of the team. Parks, the crack pitcher, who was the star of the team, was out of the game after he had pitched twelve men and allowed but two hits. He is one of the best young college pitchers in the state and the Normal Club of the Bluegrass league may give him a trial. It is certain he could make good.

**Union City.**

"Uncle Tom" Harris, who is eighty-nine years of age, is suffering from a stroke of paralysis. Little Charlie Jackson Eades is very ill and his recovery seems doubtful. His parents have the sympathy of the community.

Mrs. Walter Hish, who has been ill for some time, is slowly improving.

Misses Mary Etta Hackett and Sallie McKinnis, of Richmond, visited the Misses Berry Saunders and Susan Berry, of Lexington, last Sunday.

Mr. and Mrs. J. M. Risk entertained Mr. Joe Hamilton and bride Sunday.

The terrible wind storm of Wednesday lifted the roof of the Alms House, besides damaging it in many other ways. It is being repaired by J. H. Berry, contractor.

The latest enterprise for Union City is Mr. Jones' gasoline mill.

Miss Covington is now in New York, where she will visit friends before returning home.

The forward section of the harrow can be thrown up and down at will. The rear sections work in and throw it back to its original position. The ground is leveled and pulverized and left in perfect condition for seeding. Once over the field with an Imperial Double Disc harrow, a single disk and does it more thoroughly. The time and expense of disking is reduced one-half. An ordinary Disc Harrow of 15 ft. or seven feet can be generally used with three horses. An Imperial Double Disc of the same width of cut only requires four. The saving of horse power is accomplished. First, by the form of the machine. The double action of the two harrows, one attached to and immediately following the other, requires much less than the power of two separate harrows.

The Lexington Leader says: "W. J. Loughbridge & Son, of this city, are finishing breaking their crop of 900 acres of hemp in Indiana. It is said to be as fine an article and as great a yield per acre as from the best land in Kentucky. Tobacco raising there has long since passed the experimental stage. A crop from there sold on the breaks here this winter at 20 cents average. Year by year the fact has become more intensified that we have got to seek other States for hemp and to raise hemp and tobacco to any great extent. The exhaustion of our best land in Kentucky by tobacco cannot be restored in a decade. 'Killed the goose which laid the golden eggs.' What we need today to relieve us agriculturists is intense farming on smaller farms. The oil states that 'any fool could be a successful farmer,' applied to fifty or more years ago when we had thousands of acres of virgin soil. All you had to do was to tickle the surface of our primitive plows and it would laugh you a crop of anything grown here.

L. Ed. Griggs, of Mt. Sterling, has sold to John D. Rose, of Hazard, Ky., his handsome four-year-old stallion, 'Madison Chief,' for \$750. This horse was sired by Bourbon Chief, the grand old sire of so many high class horses and is a fine type of that famous strain. Mr. Griggs raised this colt on his farm in Madison county, hence his name.
